YOUR QUESTIONS ANSWERED!

WHY DOES MY TEAM NEED INSURANCE? Most tournament organizers require teams to carry liability and excess accident medical insurance to participate in a sanctioned event, including Perfect Game. Additionally, there is an inherent risk to your baseball or softball team/league as well as a coach or volunteer of the team. The Perfect Game Insurance Program is designed to protect your baseball or softball team/league, coaches and volunteers from third-party lawsuits arising from your baseball or softball related activities.

WHO IS ELIGIBLE TO PURCHASE THIS INSURANCE?

Anyone. We want all teams to have the ability to purchase insurance.

DOES THE POLICY COVER MULTIPLE TEAMS OR ONLY ONE?

The Perfect Game Insurance Program allows for multiple teams to be covered under one policy as a league. During the purchase process, a league will have the opportunity to schedule individual teams using the team's age group to determine the premium. Each league will receive one policy. Likewise, individual teams will receive their own policy.

TERM OF INSURANCE - Coverage will begin on the date that you select as your policy effective date and will expire one year from the policy effective date.

HOW DO I CREATE A CERTIFICATE OF INSURANCE? Teams have 24/7 access to create a certificate or download their policy within minutes. Visit amerspec.com/perfectgame and follow the prompts to request a Certificate. This will allow for teams to add additional insureds to the policy when needed.

DOES COVERAGE EXTEND TO NON-PERFECT GAME ACTIVITIES?

Yes, under the Perfect Game Insurance Program, **your coverage will follow you to any baseball or softball team activity/function**, including events that are sponsored by an organization other than Perfect Game.

DESCRIPTION OF COVERAGE - This policy responds when injuries resulting from an accident occur during a Covered Activity. This is an accident medical policy, not a sickness or medical illness policy. For example, it may cover medical expenses, excess over any other valid and collectible insurance, caused by a broken hand. An accidental injury must occur for coverage to apply.

Medical expenses arising from an accidental injury incurred within 52 weeks following the accident will be considered. Coverage is excess over any valid and collectible insurance, but if other coverage is not in force, this coverage becomes primary.

INSURED PERSONS - All team players, coaches and members of the team for which the team has paid the appropriate premium.

COVERED ACTIVITIES - Participating in any baseball/softball game, practice or tryout that is authorized and supervised by the team.

ACCIDENTAL DEATH & DISMEMBERMENT - \$10,000
